

SEMINAR ON **STRATEGY FOR LIFE**

Life is a journey of perpetual learning and self-improvement. In the pursuit of meaning and excellence, untapped talent remains dormant without conscious effort to explore, nurture, and utilize it. The seminar "Strategy for Life" aims to guide individuals in identifying life goals, crafting vision and mission, making effective decisions, and managing time efficiently. Open to all, regardless of profession or status, attendees will glean strategies to unlock their potential and optimize resources for personal and professional growth. Islamabad Branch Council welcomes everyone to join this session on crafting a strategy for life.

DISTINGUISHED SPEAKER:

MR. SHAHID MAHMOOD

MD & CEO GENCO HOLDING COMPANY LIMITED

He is a seasoned Mechanical & Marine engineer with extensive experience in managing, developing, and operating power plants/projects. He held high-level positions in reputable companies like Siddiqsons Energy, Hub Power Company, and Engro Powergen Ltd. Shahid holds an MBA from Edinburgh Business School and a Post Graduate Diploma in Management Sciences from the University of York, UK. Passionate about training and development, he delivers talks and presentations on various topics at universities and national forums. His expertise spans from overseeing multimillion-dollar projects to fostering talent within and beyond the workplace.
