JANG NEWSPAPER – MARCH 23, 2025

LAHORE ELECTRIC SUPPLY COMPANY LAHORE ELECTRIC SUPPLY COMPANY LAHORE ELECTRIC SUPPLY COMPANY

Conserve Electricity to Reduce Load Shedding

JOB OPPORTUNITY

FOR THE POST OF CHIEF EXECUTIVE OFFICER

Lahore Electric Supply Company (LESCO), being a State-Owned Enterprise (SOE) is responsible for operating a power distribution network and the supply of electricity to more than 6.88 million valued consumers with more than 19,000 employees in the approved geographic territory of Lahore, Okara, Kasur, Sheikhpura and Nankana.

LESCO is seeking the services of a visionary, dynamic, professional of high caliber having demonstrated the leadership skills to lead a company as its Chief Executive Officer (CEO).

Core Responsibilities:

The CEO shall report to the Board of Directors of LESCO and shall strive to achieve the commitments and goals set by the Ministry of Energy (Power Division) and the Board of Directors to transform the company into a thriving corporate entity. The CEO shall strive to command and perform, with the endeavor to achieve the objectives of the company in line with its vision & mission.

The Chief Executive Officer shall:

- a) Be responsible for the management of the State Owned Enterprise and ensuring that appropriated procedures and processes, with respect to financial and other matters, are duly followed, whilst performing under delegation from the Board of Directors and subject to its oversight and directions;
- b) Ensure the proper implementation of strategies and policies as approved by the Board of Directors; and
- c) Putting in place appropriate arrangements to confirm that funds and resources are properly safeguarded and are used in an economic, efficient and effective manner and in accordance with the business plan of the State Owned Enterprise as well as its primary objective, ensuring compliance with all statutory obligations.

Desired Competencies:

The requirements and expectations from the CEO shall include but not limited to the following:

- Industry Expertise with deep understanding of the power distribution industry of Pakistan including knowledge of best international practices, market dynamics, technological advancements, and emerging operational challenges.
- Strategic Vision with strong ability to articulate a clear and compelling vision for the company's future by outlining strategic plans and initiatives to achieve the objectives & performance targets entrusted by the BOD and regulators.
- Leadership & Management Skills to demonstrate strong leadership qualities and the ability to effectively manage the company's operations, resources, and human capital. This includes making informed decisions, fostering a positive corporate culture and achieving organizational objectives.
- Impressive business Acumen, having solid grasp of business management, including budgeting, forecasting, planning, cost control, and capital allocation. Should be able to drive financial performance, operational excellence, speedy and efficient procurements, manage risks and ensure the Company's financial stability.
- Stakeholder Management by possessing excellent communication and relationship-building skills in order to effectively engage with stakeholders, including government authorities, regulators, customers, employees and community members.
- Regulatory Compliance, ensuring that the company operates in compliance with applicable laws, NEPRA regulations, industry standards and effectively leading LESCO's initiatives with reference to CTBCM. He must also be well aware of regulatory changes, maintaining a strong ethical framework by way of promoting corporate governance and transparency.

Qualification & Experience:

The minimum Qualification expected from the candidate includes:

- i. Graduate degree in Electrical Engineering or equivalent from a well-reputed institute duly recognized by HEC / PEC.
Additional weightage will be accorded to candidates possessing Masters Degree in Electrical Engineering, Economics / Finance / Strategic Planning / Business Administration / Public Administration.
- Or
- ii. Be a member of a recognized body of professional accountants.

With respect to Experience:

The candidate should have a proven track record with **minimum twenty five years** of experience:

- i. As Chief Executive or 5 years at a senior management level in similar organizations having commercial attributes.
- Or
- ii. In governance / management or business administration or finance or commerce or marketing or any other field relevant to this post in well-known organizations with commercial orientation at senior management position.
- Or
- iii. At the level of **member of governing body of a professional institute** or as a head of department.

The candidate must comply with the Fit & Proper Criteria and other conditions as prescribed in the State Owned Enterprise Act, 2023.

Remuneration, Age & Contract Period:

- Salary & Allowances will be market based.
- Maximum age limit will be up to **sixty-two (62) years** on the closing date of advertisement
- The initial contract shall be for a period of three (3) years with annual performance evaluation to be conducted by the Board of Directors, LESCO. This will be against agreed Key Performance Indicators (KPI's) as detailed in the contractual arrangement and Performance Agreement with MOE.

- Formulate Internal audit programs in such a way that all aspects of financial transactions are audited.
- Oversee the company's functions and supervise a review of the company's personnel, all activities and determine compliance with applicable policies and procedures in a manner consistent with the objectives and standards of administrative practice.
- Verify audit evidence and record audit observations, make audit recommendations that are feasible, practical and cost efficient for approval through communication of audit results to Audit Committee.
- To develop an effective team of competent subordinates who understand and are able to discharge the obligations of their positions / jobs.
- To undertake special investigation at the directives of the Audit Committee / Board of Directors.
- Have liaison with the External and Commercial auditors of the Company.

The skill set of the Applicant is expected to include:

- Broad knowledge of business processes as well as thorough technical acumen with respect to financial, legal and regulatory compliances which govern the electricity distribution sector.
- Ability to lead by example and build a conducive working environment for an engaged and committed team.
- The capacity to gain an insight into the workings of the company and remain in liaison with all departments across the company in order to oversee compliances and ensure regulatory oversight.
- In depth understanding of the Accounting, Financial, Credit and other related operational activities in order to effectively undertake an independent appraisal function.
- Specialist insight into the financial resources of the company in order to formulate and put into effect efficient audit practices.

Qualifications and Relevant Experience:

The qualifications and Experience expected from an Applicant include:

- Has to be a **member of a recognized body of professional accountants.**
- The candidate must have a total of ten years (10) of relevant experience in audit and or risk management, designing of internal control procedures, effective compliance of financial reliability in public / private sector with understanding of governance, risks and risks controls especially in State-Owned Enterprises or public sector projects.
- Ideal candidate should have strong business acumen and judgement, in-depth understanding of internal audit function in ERP environment, risk, systems and controls that meet IIA Standards and experience of senior management and Board level interactions.

The candidate must comply with the Fit & Proper Criteria and other conditions as prescribed in the State-Owned Enterprise Act, 2023.

Remuneration & Contract Period:

Market-based competitive salary package commensurate with qualifications and experience of candidate to be decided by BOD at the time of selection.

The initial contract shall be for a period of three (3) years, extendable on satisfactory performance with annual performance evaluation to be conducted by the Board of Directors LESCO, against agreed **Key Performance Indicators (KPI's)** as detailed in the contractual arrangement and revisited from time to time.

Age Limit:

Up to 57 years at the time of closing date of advertisement.

How to Apply:

Application forms are available on LESCO website (www.lesco.gov.pk). Applications should be submitted online on LESCO website as well as through courier. Applicants who apply must submit the following accompanying related documents along with the application;

- Copy of detailed CV with updated career history;
- Copy of CNIC and recent photograph;
- Copies of Degrees / Testimonials
- Copy of registration / Membership with Professional Governing Body, if applicable;
- Detailed separate list of experience along with experience letter/certificate/ reference letter.

NOTE:

- Only shortlisted candidates will be called for interview.
- The applicant must ensure the application is complete in all respects. The Board reserves the right to seek further information and / or documentation from any applicant as it deems appropriate.
- Applicants shall be required to present all original documents including experience certificate at the time of interview.
- No application will be accepted by hand.
- Applications should reach no later than **11-04-2025**.
- Candidates working in Govt. /Semi Govt./Autonomous public organizations are required to apply through proper channel alongwith NOC of their department issued on its letter head.
- The abovementioned position is purely contractual in nature, non-pensionable, no long-term benefit and shall not be converted into permanent position at any stage.
