Campus.

CPD

45 Hours

www.icmap.com.pk/ifrs.aspx

The Diploma in IFRS has become a 'must have' for those working in financial reporting. Each year finance professionals around the globe complete this Diploma to effectively deliver and apply its techniques in financial reporting and management. This program has been developed in response to the complexity and pace of change in international financial reporting. Designed to fast-track the acquisition of key practical skills, it equips participants with a local and international portable add-on to their existing accountancy qualification.

Who is it for?

The course is designed for accountants and other finance professionals responsible for financial reporting, working, or aspiring to work in publically listed blue chip and multinational organisations.

Why should you study this course?

The programme will enhance your financial reporting skills. You will develop a deeper understanding and knowledge of how international financial reporting standards are applied in practice.

Content overview

On successful completion of this course, you will be able to:

- Apply advanced international financial reporting techniques to the presentation of external financial reports
- Identify and apply the disclosure requirements relating to the IFRS

- Prepare single entity and group financial statements in accordance with IFRS
- Be aware of the important areas of international financial reporting currently engaging the attention of both the International Accounting Standards Board (IASB) and the International Financial Reporting Interpretations Committee (IFRS)

When?

Modules take place on
Tuesday - 6 pm to 8 pm
Thursday - 6 pm to 8 pm

Programme schedule
Commencement of classes from
Tuesday, June 11, 2019 ICMA
Pakistan Islamabad Campus.
