

# Directors Training Programme

The ICMA Pakistan's SECP approved Directors Training Program (DTP) has been specifically designed to impart knowledge and develop necessary skills of the Board of Directors of listed companies for successful achievement of strategic objectives in the light of company's vision, mission and core values. The program is focused on various aspects of governance, knowledge and competencies required at the top most level of decision making leading to an effective and efficient board culture and performance. The SECP, under corporate governance has made this senior level training program mandatory for directors on the boards of listed companies.
