# Training Programme on Public Procurement Rules and PPRA Regulations

Training Programme on Public Procurement Rules Regulations and procedures in Pakistan will provide the participants necessary skills and knowledge required for Public Procurement Management in their respective Public Sector departments/organizations. The participants would be able to effectively and professionally manage procurement of goods, works, services as well as hiring of consultants/firms in their respective departments in accordance with relevant rules, regulations and legal requirements. The Programme will cover important legislation including PPRA Ordinance 2002, Public Procurement Rules 2004, PPRA Regulations and procedures issued so far.

Workshop will also include case studies/group discussion and Q & A to enable participants to gain hands on experience in application of Procurement rules/regulations.

## The following topics will be covered:

- Procurement reforms in Pakistan
- Development of Public Procurement regulatory regime in Pakistan
- Legal framework of public procurement in Pakistan
- Important features of PPRA Ordinance 2002
- Power and functions of PPRA
- Public Procurement Rules 2004 with up to date amendments
- PPRA Regulations and Procedures
- Comparison of Punjab Procurement Rules in PPRA
