ABOUT ICMA PAKISTAN

The Institute of Cost and Management Accountants of Pakistan (ICMA Pakistan) is a professional body of Accountants established in 1951 and was granted statutory status in 1966 to regulate the profession of Management Accounting. ICMA Pakistan is a founding member of International Federation of Accountants (IFAC), Confederation of Asian and Pacific Accountants (CAPA) and South Asian Federation of Accountants (SAFA). The Institute has earned reputation both nationally and internationally for its high standards of education and examination and its members are contributing to the country at various levels.

To keep members in particular and other professionals in general abreast with changing trends in business and economy, the Institute as part of Continuing Professional Development (CPD) regularly organizes nationwide trainings, seminars, workshops and conferences. The deliberations made and insightfulness shared in these CPD programs become a source of immense learning for participants.
