

Personal and Corporate Tax Seminar

A tax seminar with regards to personal and corporate taxation in Canada is being organized for ICMAP members in Mississauga, Ontario, Canada. This is a great opportunity to learn and understand basics of Canadian personal and corporate taxation and provide an opportunity for networking with other ICMAP members in Canada.

Brief profiles of presenters:

Haroon Rashid

Haroon Rashid is working as practicing certified public accountant since 2015. His focus areas of practice are Accounting, Assurance, Personal, Corporate and International taxation. Before entering in public practice, he worked on different accounting and operational roles in manufacturing, services and non-profit organizations. He is holding designations of ACMA (Pakistan), CPA, CA (ON, Canada) and CPA -USA. Presently he is pursuing Master of Science in US taxation.

Abrar Yousaf

Abrar Yousaf, CPA, CGA is a managing partner of Abrar Yousaf Chartered Professional Accountants, a boutique firm specialized in providing tax, audit and advisory services for individuals as well as entrepreneurial private companies engaged in manufacturing, retail and service businesses. Abrar spent 17 years in progressive senior-level positions in Canada and abroad and has previously worked with Big Four Accounting Firms in Canada.
