

SEMINAR ON

MANAGEMENT ACCOUNTANTS AS CONSULTANTS A JOURNEY FROM EMPLOYEE TO EMPLOYER

Globally, management consultancy profession is growing rapidly with an estimated market of over \$450 billion. It has become a competitive market where supply has even outgrown the demand. Service quality and innovation have become important criteria in judging consultants.

Practicing Members build the image of the institute by providing services to their clients in public and private sectors, recruit human capital at their firms as well as their clients and also provide training opportunities to students.

Technical Support and Practice Development (TSPD) Committee, in collaboration with **Islamabad Branch Council** is organizing a Seminar on 'Management Accountants as Consultants' on February 15, 2019 **for Islamabad based members**. The event will also be organized in other cities for the benefit of members.

Practicing Members (Islamabad based) who started their practice during past two years (July 2016 to June 2018) will be awarded shields to recognize their initiatives.
