Seminar on Current Economic Situation and Generation of Revenue other than levy With brief on Supplementary Finance Bill 2019

Pakistan is the 23rd largest economy in the world in terms of purchasing power parity and GDP. It has vast and rich land for livestock and agricultural produces. The Textile, pharmaceutical, auto parts, fertilizers and construction industries of Pakistan could be developed further in line with vision of the GoP for industrialization. This way additional revenue could be generated. ICMA Pakistan, considering the objectives and critical conditions of existing economy, is going to arrange a seminar on this important topic, where the imminent speakers would be sharing their thoughts that could lead our country to the prosperity and success.
