Seminar on

eZfile Portal & Companies Regulations, 2024

The Securities and Exchange Commission of Pakistan SECP transitioned from its current online filing system, 'eServices', to a more sophisticated and user-friendly online portal called 'eZfile' since 15th February, 2024. This upgraded portal is designed to facilitate seamless access to services and filings with the SECP. Moreover, SECP has simplified the regulatory framework by revising existing regulations and issued a comprehensive set of regulations titled "Companies Regulations 2024" which will be implemented in a phased manner.

Keeping in view the need and importance of this area and to address various queries related to the new portal and Regulations, National Council TSPD Committee & CPD Committee of Karachi Branch Council in collaboration with the SECP, is organizing a series of Seminars on **eZfile Portal & Companies Regulations, 2024** in all campuses of Pakistan.
