Seminar on

Introduction of Combined incorporation **Post Incorporation filing** compliance requirements

The Securities and Exchange Commission of Pakistan (SECP) has recently launched single process for Company Name Reservation and Incorporation. Besides, SECP in collaboration with Federal Board of Revenue (FBR) has also launched one window facility for company and national tax number (NTN) registration. The one-window facility is based on back-end integration between SECP and FBR systems. Through this facility, the entrepreneurs will login to the SECP online portal e-services, get the company registered with the SECP and will receive the NTNs automatically at company's email address.

The move is a part of "Doing Business Reforms". The facility has been launched simplify procedures for **business** to registration and to integrate registration procedures of SECP and FBR. The facility expected to have favorable implications for investment promotion and documentation of the economy.
