Seerat-un-Nabi Conference

Hazrat Muhammad (S.A.W.W) - As Role Model for Business World

"If you love Allah, then follow me; Allah will love you and forgive your sins, and Allah is all forgiving, all merciful." (Surah: Ale Imran, Ayah # 31).

Adhering to the model of Seerat-un-Nabi صل الله عليه وآله وسلم is the only way to resolve contemporary socio-economic problems. There is a dire need for following the teachings of Holy Prophet صل الله عليه وآله وسلم and promote His Uswah Hussana for the well being of the humanity.
