ERP TRAINING PROGRAM

WORKSHOP ON MICROSOFT ERP (DYNAMICS GP 2016)

Technical Support and Practice Development (TSPD) Directorate of the Institute of Cost and Management Accountants of Pakistan (ICMA Pakistan) has taken a special initiative and as a result the ICMA Pakistan has become "Microsoft Dynamics Academic Alliance Premier Member".

Microsoft Dynamics ERP products are used in more than 80 countries worldwide. There are more than 375,000 Microsoft Dynamics customers and more than 5 million Microsoft Dynamics users worldwide—and the numbers are growing rapidly. These companies, along with the hundreds of Microsoft Dynamics partners, will need smart, educated and qualified people who understand technology and business to help them use, sell and implement Microsoft Dynamics solutions.

Hence, training in these Microsoft Dynamics Products will open exquisite career opportunities and will give competitive advantage to Institute's members and students not only in Pakistan but also in foreign countries.

Now as a Microsoft Dynamics Academic member, we will be conducting trainings on Microsoft Dynamics ERP products Microsoft Dynamics GP, Microsoft Dynamics AX and Microsoft Dynamics 365. These trainings courses are organized from user level to Microsoft Certified Professional level to members/ students and outsiders at a discounted/ affordable costs. Initially, in the first round TSPD directorate is conducting training sessions of Microsoft Dynamics GP in Karachi, Lahore, Islamabad and Faisalabad, in order, to create awareness and understanding of different aspects/features of this system and to guide the participants towards a flourishing career path.
