

Workshop on Microsoft Power BI

Welcome to the world of Microsoft Power BI! Islamabad Branch Council is organizing a workshop on Power BI for members and students of ICMA. In this workshop, you will acquire the essential skills and knowledge to become proficient in data analysis and visualization using Power BI.

Trainer Profile:

Mr. Ahmed Shoaib

He is a seasoned professional with 20 years of work experience, possessing expertise in both technical and service solution management. He has worked with world-class companies, including PTCL, Huawei, Flextronics/Relacom, Norconsult Telematics, and Nortel Networks Asia Limited, contributing to their success in achieving organizational goals. He demonstrates a strong business acumen and industry expertise, with the ability to analyze, plan, and forecast business activities effectively.
