Dear Member,

The National Council 2015-17 since taking charge of affairs of the Institute has made recognition of ICMA Pakistan and its members, locally and abroad, its top priority. We have approached various internationally recognized Institutes and presented our case with dedication and commitment.

AL HAMDOLILLAH, on behalf of National Council of ICMA Pakistan, I am pleased to inform that ICMA Pakistan and CPA Australia have signed a **“Membership Pathways Agreement” (MPA)**. Both the Institutes have agreed that recognising global portability is becoming increasingly important for professional accountants around the world.

Under this MPA, CPA Australia has provided a pathway for members of ICMA Pakistan to become members of CPA Australia. CPA Australia has agreed to offer following exemptions to the members of ICMA Pakistan who have successfully completed ICMA Pakistan educational program.
